8. The use of the words "all persons from whom of sites have been" in the G.O. of 14th Aug 1922 evidently indicates that it is the intention of Govt not to create no doubt Boards with the result of sites acquired at the cost of Govt formerly the grant of valuable sites to Local Boards in some cases may to Govt in other cases is likely to cause confusion As the matter relates to alienation of Revenue to which Govt are entitled the Revenue Comr and the Financial Secretary may be consulted.

Enclosure No.

Sir,

I have the honor to state that the income from sale of sites in the old Union Panchayats were being credited to District Funds and that it is not clear from the section 56 of the Mysore Local Boards and Village Panchayats Regulation of 1918 whether the proceeds from sale of sites in the Village Panchayats are creditable to the funds of the Panchayats concerned. The village panchayats are more or less minor Municipal Councils on a miniature scale, though they are not designated as such. Under section 50,2(e) and 51

of the Municipal Regulation, such items of revenue are being credited to municipal funds. Under Government order No.R.1106-24/L.R.85-22-1 dated 19th August 1922 the cost of acquisition of lands for house sites in Village Panchayats will have to be met from the funds of the Village Panchayats, all proceeds from sale of sites laid out being credited to the funds of the Panchayats concerned but it is doubtful from the said order whether the sites in village panchayats where lands were not acquired from the funds of the Panchayats vest in the village panchayats or still reserved by Government. Under the circumstances I request that definite instructions may kindly be issued as to whether the proceeds from sale of sites in all the Panchayats irrespective of any lands acquired from the funds of the Panchayats or not can be credited to the funds of the Panchayats concerned.

I have the honor to be,
S I R,
Your most obedient servant

President, District Board,
